This report is a follow up to the USM550 prepared regarding 7th Circuit Court Judges Easterbrook, Williams and Coffey.

USMS N/IL began a protection detail for Judges Easterbrook and Williams on 03/03/2005 at 1800. This decision was predicated on the fact that Judges Easterbrook and Williams, as well as Judge Coffey who is located in the Eastern District of Wisconsin, were on the 7th Circuit panel that Ruled on the appeal in URI, Inc. v. World Church of the Creator. This case was a trademark infringement suit brought by TE-TA-MA Truth Foundation (URI, Inc.) because Matthew Hale was using the name World Church of the Creator. Initially Judge Lefkow ruled in favor of Hale. The case was appealed, reversed and remanded to the District Court. Judge Lefkow then ruled against Hale.

Responsibility for these details was assumed by JSD on 03/06/2005 at 1900.

The enclosed print outs from the web site The Hal Turner Show demonstrate that there is an interest in obtaining personal information about the judges. The requested information includes home addresses.

Hal TURNER appears to be a significant figure in the white supremacist movement. His web site

First excerpt

TURNER: "I had commented on my short wave radio show two years ago that because Judge Lefkow had basically ordered a church to destroy it's bibles, in a trademark infringement case, that I felt her decision made her worthy of death."

Second excerpt

TURNER: "Not only is there a pro-white effort against Judge Lefkow, as of tonight, that effort is being expanded to three judges on the U.S. 7th Circuit Court of Appeals."

Rivera: "Where do you get this information?"

TURNER: "I've spoken to some folks around the country."

Rivera: "In the hate movement?"

TURNER: "In the pro-white movement."

Rivera: "The pro-white movement? (laughing)"

TURNER: "The pro-white movement. Judge John Coffey, Judge Frank Eastrebrook and Judge Ann Claire Williams are now going to feel the same scorn and scrutiny over their decisions in the Matt Hale
